

## TURKISH AIRLINES

Turkish Airlines as Turkey's rising star and national flag carrier, started its journey in 1933 with 5 airplanes and today the same passion and enthusiasm manifests itself with 155 airplanes (passenger and cargo), the youngest fleet in Europe. Chosen as the best airline of the Southern Europe by Skytrax in 2009 and 2010 and the best catering provider, Turkish Airlines received 4 stars in all of the categories of supervision and sustained her unique status in Europe in this regard. Now the 4th largest airline in Europe in terms of passenger numbers is also the official sponsor of the Barcelona FC since December 2009, Manchester United FC since March 2010 and Euroleague since October 2010. In addition to First, Business and Economy Class, passengers can now
